CHIEF 1985

Let's celebrate!
We've had so much between us.
Oh, let's celebrate!
Let's count the hours we shared
and then be glad we had these times together
that we can smile about, dream about,
laugh and sometimes cry about.

Let's celebrate!
There's so much now that
we can be so proud about.
We've left our mark,
and no one dare erase or take away tomorrow,
When we can smile about, dream about,
laugh and sometimes cry about.

Don't say good-bye;
it makes no sense at all.
Don't even try;
you'll only confuse it all.
The question of why,
the story of how doesn't matter now.
We're parting, I know;
I'm frightened of how I feel.
Time has run out;
emotions are painfully real,
that I can't conceal.
But, yes, let's celebrate!

I know it's sad,
but dry your eyes and celebrate!
To know each other
was the perfect thing
to make our time complete.
So now we talk about,
think about, and sometimes sing about.
Smile about, dream about,
laugh and sometimes cry about.
Let's celebrate!

You're The Inspiration

Chicago - home of the windy city - came to Willard this year as the theme for the Prom of 1985. Sears Tower, the airport, and glitter and dim lights were a part of the decorations. The Junior class did an excellent job of turning the gym into an "inspiration".

Kara Tedlie was crowned the 1985 Prom Queen and Derick Tuttle was Prince Charming.

Something extra this year to go along with the long night of dancing was a breakfast served at midnight by the Times Newspaper Staff. Everying attending the Prom had a great time and the breakfast completed a perfect evening of "inspiration".

You can't take it With you

On November 10 and 11 the Willard High School Thespians presented "You Can't Take It With You", a comedy by Moss Hart and George S. Kaufman. The Directors were Gordon Jack Miller and Charles E. Casto. The action of the play takes place in the home of Martin Vanderhof in New York City in the late 1930's.

The cast was composed of mainly new and inexperienced actors. After many long, hard hours of practice in blocking, building sets and memorizing lines, they produced two enjoyable and well-liked performances.

One tradition was altered during this play. They performed on Sunday afternoon, not on Friday evening as was traditionally done. This change did not effect either the cast or the audience. The cast learned that they could overcome different obstacles they had to face throughout the course of a play. Other traditions remained; like going to the Hi-Ho for the traditional pop after every practice and never worrying what the time was. After all, what fun would a play be without traditions?

Other people involved in helping to prepare the show were: Charles Casto, June Zweidinger, Gail Capell and the Willard High School Pit Orchestra. The cast wishes to thank all those involved with the show.

Five seniors ended their high school acting careers on March 30th. Three of the five were presented the Thespian Award. Kellie Casto, Jenny Conkle and Julie Gallutia each received an engraved silver bowl for their efforts.

The Staff worked long and hard on this yearbook and enjoyed the work. However, the year was not all fun. Some of the deadlines were missed due to late pictures and some pictures did not turn out at all, such as the Spring Sports pictures. Varsity Volleyball

The 1984 Volleyball Team accomplished a great deal this season. The Team was lead by the spirit of three determined seniors, Mashona Adams, Darlene Frankart, and Patty Slessman. Mashona was on the All District Team and First Team all N.O.L.. Darlene's season was haunted by an ankle injury, but she recovered toward the end of the season and helped out tremendously. Lisa Beamer also received the Award of Honorable Mention All League. Besides Mashona and Lisa the rest of the starters were Kris Wolfe and Gina Ganni as setters, and Jenny Ryman and Holli Costein as spikers.

This year's team was coached by Linda Bevier, and Assistant Coach Char Wiers, both first year coaches who did a fine job. The 1984 team finished in third place in the N.O.L. behind Bellevue and Norwalk, with a 9-5 record. They were Sectional Champs defeating Bucyrus and Upper at Ontario. Their season ended in District play against Norwalk at Buckeye Central.

Next year should prove to be a very powerful team with five returning starters, and a strong reserve team coming up.

Varsity Strives

The Willard Varsity Basketball Team again enjoyed another highly successful season with a record of 19-5. Led by Senior Captain, Tim Scott, the Flashes won their 12th straight sectional title and appeared in the district finals for the eighth straight year. The Flashes finished second in the N.O.L. to maintain their record of finishing first or second in the league during the fourteen year tenure of Coach Haas.

The highlight games of the season were a 92-80 victory over Mansfield Senior during the holidays and a 66-64 overtime victory in district tournament play with Malabar. Making the superb performance against Mansfield Senior more significant was the fact that Mansfield Senior went on to become runners-up in State AAA competition. The tournament victory over Malabar was a stunning upset that Willard fans will long remember as a classic. Malabar was undefeated and ranked #1 in both the U.P.I and A.P. Polls, all season, while Willard finished 10th and 12th in the respective polls. Scott, the only Senior starter played a key role all season long, but was particularly effective in the Malabar game.

Nolan Robinson reached the 1000 point plateau on February 18th against Shelby to become the first Willard High School player to reach that level during regular play his junior year. Robinson was selected Most Valuable Player and Scott the Most Improved Player by their teammates. Sonny Hashmi set a Willard High School record by scoring on 61.6% of his field goal attempts for the year. Other award winners, at the recognition Athletic Awards Night, were Jesse Lopez most assists, Bryan Cok best defensive player, and Curt Storts, Elks' Sportsmanship Award. Seniors, Dan Bauman and Mickey McKinney were presented Coaches' Awards for their contribution.

The Reserve Team went 12-8 and again Coach Barry Pfahl's team won an undisputed Northern Ohio League reserve championship. With several promising reserve players and junior starters Robinson, Cok, Hashmi and Lopez, the future looks bright for the 1985-86 Flashes' basketball team!

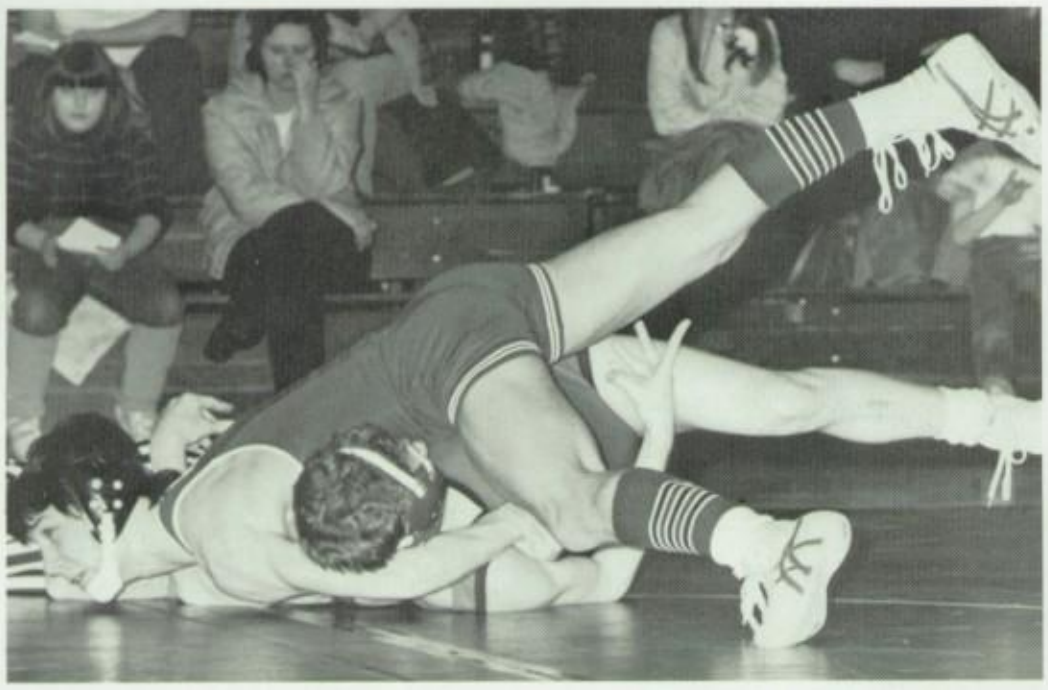
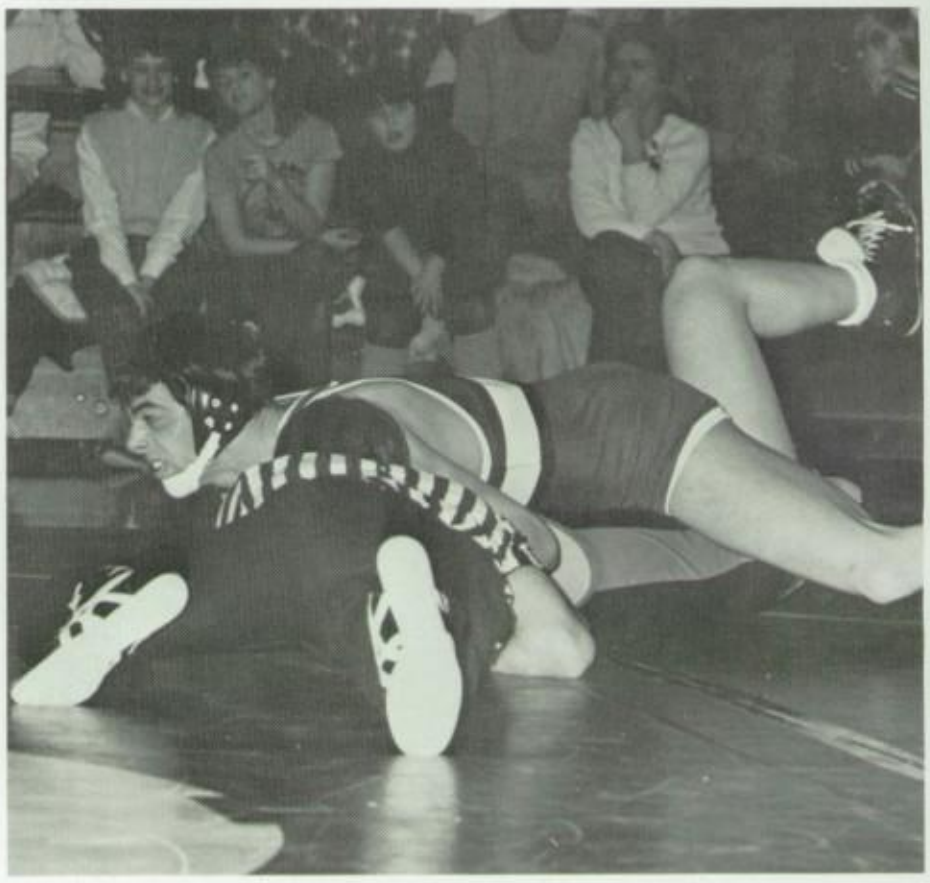
Matmen Pin Down A Successful Season





The 1984-'85 Wrestling Team continued its winning tradition by achieving a 12-3 dual record, a 42-9 overall record up to Districts, and many successes in tournaments. Coaches Tom Spangler and Dominick Fratta helped their teams to battle back time after time to achieve the teams success.

Led by team Co-Captains David Hatfield and Steve Holmes, the team finished third in the over-all N.O.L. standings and advanced many wrestlers to tournaments. In District action Willard placed Seventh out of the thirteen participating schools and sent three wrestlers and two alternates to the Regional Tournament. Ninety-eight pound Carl Blunt placed fourth and advanced to the State Tournament at St. John's Arena, Ohio State University. Blunt placed fifth in the AA competition.

Another high point of the wrestling season was the first-time U.P.I. State Rankings. At one time Willard was rated ninth in the state.

Jump Repeats All-Ohio Performance

The 1985 Boys' Track Team, made up of primarily underclassmen, turned in a season marked by 3 record efforts. Senior pole vaulter Jason Jump earned a repeat 5th place All-Ohio finish in the "AA" State Meet. The senior captain equaled his 13'9" vault during the season. High jumper, Sonny Hashmi, repeated as NOL Champ, tying his school record of 6'5". Sophomore speedster Ryan Durr lowered the school mark in the 100 meters to 11.0 as he earned a championship at the Blade Relays in Toledo.

The Flashes finished with a dual mark of 5-6 and a 6th place finish in the NOL meet. Along with Hashmi, Jump also reigned as a NOL Champ in his specialty. The 400 meter relay team of Noel Kidd, Jim Arnold, Mickey McKinney and Ryan Durr received Honorable-Mention All-NOL for their 3rd place finish.

Jason Jump was selected MVP by his teammates and coaches and he also received a plaque for serving as this year's Team Captain along with a trophy for scoring the Most Points in Field Events. During his senior campaign, Jump won championships at the Huron, Bellevue, Toledo, NOL, and District Meets; earned runner-up honors at Regional; and finished his dual meet season undefeated. Most Improved honors were shared by senior Mickey McKinney and junior sprinter Noel Kidd. Senior Jim Arnold was the recipient of the Elks' Sportsmanship Award. Sophomore Ryan Durr earned the Most Running Events Points as well as the Most Total Points awards for his fine efforts.

With a good group of lettermen returning and a strong junior high team moving up, the coaching staff is anticipating good things for next season.

New Coach Brings New Hope For The Flashes

This year with Tiger Maudsley as Head Coach for the Flashes, they came out on top with a record of 13 - 9. Tiger has worked with most of the team members since they were in T-ball, so he knew where the team's strong points were and how to use them to the best advantage.

The Flashes broke many school records this year. The most home runs ever were scored this season. There were 31 home runs this season. 12 home runs was the highest scored n a game. This was against Buckeye Central. Bill McLendon led the Flashes with 8 home runs. Curt Storts was the first player to ever get 31 hits in a game. Pudge Maudsley had the most runs. Curt Storts also had the highest batting average with a .409. Allen Lykins received 76 at bat. The most runs scored in a game was 28 and this was again against Buckeye Central.

This was a good year for the Flashes. They almost made it to State! The outlook for next year is good. We look forward to another exciting winning season.

The Junior Class of '86 fit right in with the busy school days this year as they prepared to be SENIORS. The big event of the year was preparing for the Prom. After selling magazines, many months of planning proved to be worthwhile on April 27. That night Kara Tedlie was chosen Prom Queen with attendants Theresa Holmer, Donna Moll, Lisa Beamer, and Kendra Rothaar. The Juniors were successful in academics, athletics, and the fine arts. Preparing for college, the Junior Class took the PSAT tests and planned their Senior schedules accordingly.

BOARD OF EDUCATION: Mr. Carl Bogner, Treasurer; Mr. David Sattig; Mr. George Gaich; Mr. Emerson Neumann; Mrs. Virginia Lydy, Vice-President; Mr. Lowell Eier, President.

Four administrative positions were newly filled this year with only one new face among them. Mr. Douglas Garling came from P.J.V.S. to become the new High School Principal. Mr. Larry Long moved from teaching Business Education to becoming the new High School Assistant Principal. Mr. Robert Haas went from High School Assistant Principal to Administrative Assistant, and Mr. Jerry Stackhouse became the Superintendent after having been the High School Principal.

mr. casto retires

Mr. Charles Casto has great reason to "Celebrate" this year! Mr. Casto has been the Willard High School Art Teacher for the past twenty-six years. This year he has decided to retire, or as the picture at left shows, graduate! The cap and gown were given to him at the Faculty Breakfast, along with the painting containing all the faculty signatures.

Below we see what Mr. Casto wants to do in retirement. We doubt it, however, as he really plans to continue painting and working with signs.

We wish Mr. Casto success in all of his future endeavors and thank him for the great job he did as Art Teacher at Willard. Mr. Casto, now you can "Celebrate"!
